

# **YASD Annual Brunch & Installation of Officers**

Bring your check-book.  
There will be a \$50 gift card raffle for attendees who join YASD for 2015!

Have you attended Makerspace or Maker Movement programs but are still not sure how to use the ideas in your library? Does the thought of STEAM programming make you nervous? Pete Suchmann of Creative 3D Printing will speak about the future of education, the Maker Movement and STEAM programs that are doable for librarians. And...each attendee will make a project that incorporates STEAM and is suitable for teens or tweens! Afterwards, we'll take a quick tour of Levittown's new Innovation Station.

**Date: 12/4/14**

**Time: 9:30-12:30**

Registration for NCLA YASD December Brunch  
\$20 for members and students. Non-member fee is \$30. Please make checks payable to NCLA.
