Beyond individual airline, town and hotel websites, there's a wealth of fun and useful tools for travelers online. User-friendly and free, apps and websites make planning a trip and getting the most out of your vacation easy and enjoyable. The advice, tips and anecdotes our experienced speaker shares will have you looking forward with enthusiasm to planning your next travel adventure!

R.S.V.P. requested. Registration begins March 1st

Please complete and return form & check by May 15 .
