

**NCLA Emerging Librarians, Pop Culture, and  
Computers & Technology Committees Present**

# **Technology Petting Zoo & Brew**

**Friday, November 8, 2019 from 7:00pm-8:30pm**

**Port Washington Public Library  
1 Library Drive, Port Washington, NY 11050**

**Are you a new librarian looking to discover the coolest tech items in libraries and meet others already in the field? Or perhaps the library you work for is hoping to introduce something cutting-edge for your community to experience? Join us for our “Technology Petting Zoo & Brew” event!**

**We will be showcasing the latest in Virtual Reality (VR), Raspberry Pi applications, Podcasting, 3D Printing, and Retro Gaming. After the event, we will be visiting Finn MacCool’s Bar next door to the Port Washington Public Library for some “brews” and socializing/networking with colleagues.**

**NCLA members who attend will be awarded CEUS (1.5 contact hours)
