YASD of NCLA Professional Development November 2024

Hello NCLA Members,

Below is a selection of upcoming Professional Development Opportunities taking place in the month of November. These were selected with Teen/YA Services in mind but that does not mean they can't also be valuable to those working in other departments.

All events, which are listed in date order, are free for members of the organization presenting (if not free for all). Unless otherwise indicated, all events are virtual. Click the link provided for more information and to register.

Hopefully you find this information beneficial!
