

YASD of NCLA Professional Development June 2026

Hello NCLA Members,

Below is a selection of upcoming Professional Development opportunities in June that I collected. These were selected with Teen/YA Services in mind, but that does not mean they can't also be valuable to those working in other departments.

All events, which are listed in date order, should be free for members of the organization presenting (if not free for all). If there is a known cost it will be made clear with that information being highlighted in yellow. Unless otherwise stated, all events are virtual. If in-person, the location will be noted and highlighted in yellow.

Click the link provided for each event for more information and to register.

I hope this information is helpful!

- Amanda Borgia, Professional Development Chair for YASD
